Centex Foundatin Repairs,

Thank you for your generous contribution of in-kind labor and materials towards Austin Habitat for Humanity's Home Repair Program. This letter serves to signify that Centex Foundation Repairs worked on 8 houses in 2013 and 3 houses in 2014 as of 11/1/2014. Through your kind-hearted generosity, you truly help support every facet of our work.

For 27 years, Austin Habitat has been committed to helping low-income families achieve the dream of owning their own home. Through the dedicated work of donors, volunteers, and partner families, Austin Habitat has built more than 330 homes and repaired more than 100...and there's much more to be done to end poverty housing in the Austin community.

Please use this letter as a receipt for your gift to Austin Habitat for Humanity. As required by federal law, this letter acknowledges that no goods or services were provided to you in exchange for your contribution. If you have any questions about your gift, please feel free to contact me at 512-472-8788 x 418 or by email at gthomsen@austinhabitat.org.

Thank you for helping us build a better Austin.
