Ronnie Wiethorn
CenTex Foundation Repair
710 S. Robinson
Waco, TX 76706

Dear Ronnie,

Waco Habitat for Humanity is pleased to recognize CenTex Foundation Repair as a member of its 2011 Cornerstone Club, comprising businesses and organizations that have donated \$500 or more in funds, materials or services during the past year. We will honor Cornerstone Club members at our annual Harvest Dinner on November 10, and cordially invite you and your guests to join us.

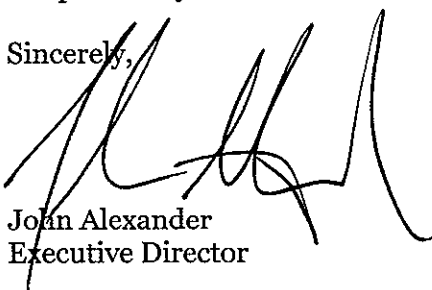

Harvest Dinner
Thursday, November 10
Lee Lockwood Scottish Rite Library & Museum
2801 W. Waco Dr.
6:30 - 8:00 p.m.

Please RSVP by October 31
254-756-7575
emily@wacohabitat.org

The dinner is a celebration of the year's work and those who made it possible, so we hope you'll join us as an honored guest. It's been a banner year and we have much to celebrate! Having officially launched our home preservation program this year, we will complete 80 repair and barrier removal projects on the homes of low-income, mostly elderly and/or disabled, owners! New home construction continues on pace, with the completion of seven new homes built in partnership with those in need.

Thank you for your support. With your help, Waco Habitat is serving more people than ever before. I hope to see you at the Harvest Dinner.

Sincerely,

John Alexander
Executive Director

Hope you can join us!
