Dear Ronnie:

On behalf of Waco Habitat for Humanity, I would like to thank you for your in-kind support. Every gift counts in our ongoing effort to provide a sustainable alternative to poverty housing, and you're helping us build a community where everyone has a decent place to live.

Habitat for Humanity is a 501 (c) (3) charitable organization and your gift may be tax-deductible. The value of your gift should be made by you. For IRS purposes, this letter shall serve as your receipt. No goods or services were given by Waco Habitat for Humanity in exchange for your donation.

Together, we're making a difference in the life of Reynalda who recently purchased her home, the *Building on Faith* project. Reynalda built her home with the financial and volunteer support of local communities of faith and now resides there with her two young daughters. Similarly, Mary recently celebrated the dedication of her new home, the *Raise the Roof* project, which she built with the help of City of Waco employees. She will soon purchase the home and reside there with her young son. These single moms spent months completing their sweat equity by helping to build Habitat homes and completing New Homeowners College, in addition to holding down jobs and caring for their children.

In 2013, we will build or rehabilitate 8 simple, decent, affordable homes in partnership with low-income families. We'll serve another 95 low-income homeowners through our home preservation program, which includes Ramps & Rails (wheelchair ramps & accessibility modifications), Critical Home Repairs and - new in 2013 - Weatherization. By supplementing new home construction with home preservation, we plan to provide viable alternatives to poverty housing for **300 families in 3 years**.

Sincerely,
